DON'T BE FOOLED BY THE ACT. KEEP SUNY PUBLIC!

The so-called "Public Higher Education Empowerment and Innovation Act" is **not** good for SUNY and students. Don't let the name deceive you. Here are the facts:

FACT:

The Act would not produce additional revenue for SUNY. The state would pay less; **students and parents would pay a lot more.**

FACT:

The legislation would eliminate state appropriations for tuition and other revenues, so **there is no guarantee that student tuition and fees would be used to benefit students or the academic mission** of the campus. Quality would suffer.

FACT:

SUNY **could place a surcharge on tuition** (*differential tuition*) that would vary by campus and program without limitation. Student access would be denied.

FACT:

There is no evidence that public/private partnerships—especially those created without government oversight—**raise revenue.** In fact, SUNY's previous joint ventures have cost taxpayers millions.

"If this Act is passed, my son and other students couldn't afford SUNY. Don't deny their opportunity."
