Proud members of the American Physical Therapy Association

A winning decision.

"When I decided to move from my Southampton home, staying on the East End of Long Island was a natural decision. I've been an active member of the Southampton Golf Club since 1943 so I wanted to keep within a reasonable distance of the South Fork. Peconic Landing was the ideal choice. I'm surrounded by my two favorite things - a great golf course and world-class amenities. Peconic Landing is the place to be. Why wait?"
