

Thunderballs take 6 from Louie's Clips

Men's Bowling | Beckwith Bowler of the Week

BY HANS SCHMID | COLUMNIST

The lanes were hot this week as we find many good scores. What a welcome change this is.

The week started with a match between the Tballs and Louie's Clippers. The Clips rolled well with a high team game of 1,168 and a high team series of 3,074. That being said, they still lost 6 points to the Tballs. Looking at the scores, the Clips used up all their resources in the first game just to fizzle out in the next two. Jim Gibbs Jr. had a 187 game, while Robbie Brewer and Kevin Lechmanski shared the second-high game of 203. Kevin also rolled the second-high series of 518. Bobby Marcello cooled off this week, but still threw a 196. As for Arthur "the old silver fox," he managed to hold his own and go with the flow. The Tballs managed to take advantage of the Clips rolling their game to take points with Kevin Barry's 183 game.

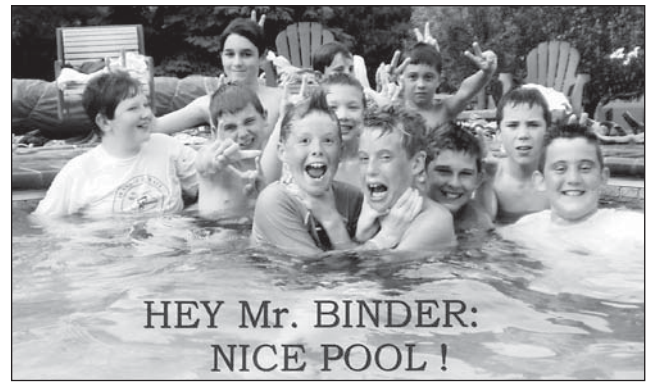

With the Pharmaceuticals two bowlers short, the Misfits took advantage, earning an 8-point win. The Misfits had the second-high team series of 3,059 while the Pharms had the third-high team series of 3,035. The Misfits also had the third-high team game of 1,060. Tim King led the Misfits with games of 188 and 199 and rolling for a

501 series. In a losing cause, the night as well as the week belonged to Stanley "Stickman" Beckwith. Stan rolled the high game of the week of 214 and shared the high series 522. Rolling 96 pins over his series average, Stanley earned Bowler of the Week Honors.

The Dory Terminators this week got hammered by the Holy Rollers with an 8-point loss. They managed to lose this week without the help of their sponsor Jack. Like the Clips, the Terms came out strong the first game, only to fizzle out in the second. Harry "The Hammer" Brigham led the Rollers with a 433 series that was 79 pins over his average, and Rich Surozenski shared with Stanley the high series of 522. Richie also rolled games of 181 and 196. Let us not forget Butch Labrozzi and his 506 series.

Father Peter was last seen taking the Legionnaires on a one-week sabbatical to the shrine of St. Brunswick in St. Louis, Missouri.

SERVING THE EAST END SINCE 1927

"In this age and time it is rare to find a dealer which presents themselves with integrity and honesty, as Mullen Motors certainly has...After years of dealing with dishonest service people...it was an absolute pleasure to deal with Mullen and have a dealer tell me "It's not yet time to do this", and "we vacuumed your carpets...", or "we washed your rims"..."I always returned, even when I moved to Holbrook and drove 50 miles out of the way, just for an oil change. It is quality service like that that keeps customers returning." -Christa N., Holbrook
